Born Again: Reincarnation Cases Involving Evidence of Past Lives, with Xenoglossy Cases Researched by Ian Stevenson, MD Walter Semkiw MD

In Born Again, the most important cases which provide evidence of reincarnation, including cases researched by Ian Stevenson MD at the University of Virginia, are compiled. Dr. Semkiw methodically presents crucial reincarnation cases in easy to read synopses, such as the James Huston | James Leininger case, which demonstrate principles of reincarnation. These principles include the observations that facial features, personality traits, talents and passions can remain consistent from lifetime to lifetime. Dr. Semkiw also reviews the very significant Ian Stevenson twin study case, which shows that souls can plan lifetimes, so that loved ones can be reunited in families through reincarnation. Significantly, it is also shown that religion, nationality and ethnic affiliation can change from lifetime to lifetime, as demonstrated in the very important reincarnation case involving Anne Frank. As people realize they can be Jewish or Muslim in one lifetime, and Christian, Buddhist or Hindu in another incarnation, and vice versa, violence based on differences in cultural identity will be diminished. Xenoglossy cases researched by Ian Stevenson, MD, where individuals can speak and understand a foreign language that was not learned by normal means, are also presented. These cases show that past life personalities are retained intact within the soul. The independently researched cases involving Penney Peirce, as well as many cases researched by Ian Stevenson, MD, show that a soul can inhabit more than one body at a time. Even a case involving suicide in a past incarnation, researched by Dr. Stevenson, is reviewed. Dr. Semkiw also presents his reincarnation research performed in conjunction with Kevin Ryerson, a world famous trance medium who has worked with Shirley MacLaine for 30 years. Mr. Ryerson channels a spirit guide named Ahtun Re who has demonstrated the ability to make accurate past life matches. Reincarnation cases derived by Dr. Semkiw in sessions with Kevin Ryerson include those of Laurel & Hardy, Halle Berry, Uri Geller, George W. Bush, Bill Clinton, Al Gore, Oprah Winfrey, Amitabh Bachchan, Tom Cruise, Tom Hanks, Nobel Laureate Kary Mullis, Shakespeare and Abraham Lincoln. In sum, in Born Again, not only is compelling evidence of reincarnation presented, but a comprehensive understanding of how reincarnation works, based on objective evidence compiled over decades, is provided. Dr. Semkiw views Born Again as a reincarnation primer, which sets the stage for additional cases presented on the www.IISIS.net website, a nonprofit organization dedicated to reincarnation research.
