Chasing Cezanne: A Novel Peter Mayle

Hanky-panky on the international art scene is the source of the hilarity and fizz in Peter Mayle's new novel. He flies us back to the south of France (a region some readers of his irresistible best-sellers believe him to have invented), on a wild chase through galleries, homes of prominent collectors, and wickedly delectable restaurants. There are stopovers in the Bahamas and England, and in New York, where that glossiest of magazines, *Decorating Quarterly*, reflects the cutting-edge trendiness of its editor, Camilla Jameson Porter. (Camilla has recently broken new ground in the world of power lunches by booking two tables on the same day, and shuttling between them, at the city's trendiest restaurant.)

It is Camilla who has sent our hero, Andre Kelly, to Cap Ferrat to take glamorous photo-graphs of the houses and treasures of the rich, famous, and fatuous. He happens to have his camera at the ready when he spots a Cézanne being loaded onto a plumber's truck near the home of an absent collector. Odd, thinks Andre. And in no time he's on the trail of a state-of-the-art art scam, chasing Cézanne.

It's a joy to follow him and the crowds intent on speeding or foiling his quest--including a beautiful agent; a super-savvy art dealer attracted to the finer things in life, especially if they promise the payoff of a lifetime; an awesome Dutch forger; some outstandingly greedy New York sophisticates; and, invisible in the background, the parade of remarkable chefs whose mouthwatering culinary masterpieces periodically soothe the hero and tantalize the reader of *Chasing Cézanne*.

John Davis:

With this era which is the greater man or who has ability to do something more are more valuable than other. Do you want to become considered one of it? It is just simple solution to have that. What you need to do is just spending your time not much but quite enough to have a look at some books. On the list of books in the top checklist in your reading list is usually Chasing Cezanne: A Novel. This book which is qualified as The Hungry Hillside can get you closer in turning out to be precious person. By looking right up and review this e-book you can get many advantages.

Michael Clark:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Chasing Cezanne: A Novel can make you feel more interested to read.
