Crossing the Threshold of Hope Pope John Paul II

A great international bestseller, the book in which, on the eve of the millennium, Pope John Paul II brings to an accessible level the great theological concerns of our lives. He goes to the heart of his personal beliefs and speaks with passion about the existence of God; about the dignity of man; about pain, suffering, and evil; about eternal life and the meaning of salvation; about hope; about the relationship of Christianity to other faiths and of Catholicism to other branches of the Christian faith.

With the humility and generosity of spirit for which he is known, John Paul II speaks directly and forthrightly to all people.
