**Dragon's Moon (A Children of the Moon Novel Book 4)** Lucy Monroe

*Bestselling author Lucy Monroe returns to her “stunningly sexy” (Joyfully Reviewed) paranormal world where the fate of the Chrechte people rests with one woman and her sworn enemy...*

When Eirik, the only living dragon shifter, and prince of the Ean, killed her brother, Ciara was left alone to face her prophetic dreams. Now, in order to find the wolves' sacred stone and save all the Chrechte from destruction, she needs her rival's help.

Eirik was only protecting the children of his people, but that day in the forest left a mark on him as well. Controlling his dragon's fire is the most difficult thing he's ever done—until he and Ciara are forced to face not only their shared tumultuous past, but a hallowed bond stronger than they realize. As avowed adversaries and predestined mates, their quest ushers them into a world of great danger, and a passion hotter than the dragon's fire.
