#### **Victoria Manson:**

In this era globalization it is important to someone to obtain information. The information will make someone to understand the condition of the world. The health of the world makes the information better to share. You can find a lot of personal references to get information example: internet, classifieds, book, and soon. You can see that now, a lot of publisher that will print many kinds of book. The book that recommended to you personally is Mars Attacks: First Born this e-book consist a lot of the information on the condition of this world now. This book was represented how does the world has grown up. The language styles that writer require to explain it is easy to understand. The actual writer made some research when he makes this book. That is why this book suitable all of you.

#### **Amy Joshi:**

As a university student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Mars Attacks: First Born can make you really feel more interested to read.
