It's 1943 and World War II is raging. 15-year-old Robert Tourond is home in Calgary, but his three brothers are all fighting the Nazis. Robert follows the exploits of his favourite comic book heroes who also battle bad guys in the comics Robert spends his allowance on. When Robert finds a meteorite in Nose Hill Park near his home, in the same week that a meteorite features in his heroes' stories, Robert is convinced that a magical link exists between them, and that the superheroes will protect his brothers. Robert has a nemesis of his own on the streets of Calgary – a girl they call "Crazy Charlie". When Robert gets a job delivering telegrams, Charlie does too, cutting into his profits. Then they discover exactly what news those telegrams they're delivering have for the recipients. Then Charlie has to deliver one to Robert's house. Can Robert and his heroes really protect all three brothers and bring them home? What will happen if reality comes crashing into his world, like a meteorite falling from space? Who will help then?
