## **Autobiografía apócrifa de José Ortega y Gasset: Un retrato intelectual (Memorias y Biografías) (Spanish Edition)** José María Carrascal

Este libro nos presenta un «Ortega desde dentro», es decir, no como él había observado a Goethe, con catalejo, sino reconstruido a base de sus testimonios personales esparcidos en artículos, libros, cartas, clases y conferencias, a los que habría que sumar los que sobre él dejaron familiares, colaboradores, discípulos, amigos y enemigos. Estamos pues ante una biografía con ropaje autobiográfico, no sólo de su persona, sino también de su obra, íntimamente unidas a la España de la primera mitad del siglo XX, a la que quiso guiar bajo los más diversos regímenes antes de ser arrastrado por su tragedia como nación. En cierto modo, es la historia de un amor imposible, porque la España que soñó no existía y puede que ni siquiera llegue a existir. Sin embargo y paradójicamente, también es la historia de cómo Ortega, al iluminar sus carencias, logró dejar su impronta en ella.

De venta en exclusiva en Kindle Store.
