## **Building a House (Mulberry Books)** Byron Barton

Byron Barton, the celebrated creator of numerous picture books for very young children, including *Trucks*, *My Bus*, and *My Car*, builds a house, step by step, right before your eyes!

A machine digs a big hole. A cement mixer pours cement. Carpenters put up walls. Bricklayers, electricians, plumbers, and painters do their part. Through brilliantly simple words and pictures a house is built.

"You can almost do it yourself by carefully noting the steps depicted in each bright, brisk, clearly delineated picture . . . With independently interesting pictures and a definite, sunny personality, a very fine piece of work indeed."—*Kirkus Reviews*

Named a Notable Book for Children by the American Library Association

Supports the Common Core State Standards
