" Dulcimer making has long been considered an art. The exquisite design is also functional, and the best instruments sound as beautiful as they look. Homer Ledford, a legend among dulcimer makers, is known for his innovative but traditional craftsmanship. A biography and a step-by-step guide to dulcimer making, this classic book illuminates and celebrates the work of a master craftsman, musician, and folk artist. This new edition presents a foreword by Ron Pen, director of the John Jacob Niles Center for American Music at the University of Kentucky, and an enlightening afterword featuring a conversation with Ledford. In an era when Americans are rediscovering their musical roots, Dulcimer Maker offers a unique look at a bluegrass legend.
