Longmont is a city warm and friendly by day but overrun with restless spirits by night. With namesake Long's Peak looming over it, the town's chilling history casts a specter over its present. The gruesome 1864 Sand Creek Massacre may be connected to the murder of a successful local entrepreneur whose property is said to be haunted. Though retail empire JCPenney outgrew its hometown, its legacy lingers in the form of the Phantom Lady. An airliner exploded in the night skies and led to the execution of a desperate criminal. Join paranormal investigator Richard Estep on his fifteen-year journey to reveal and document the interwoven, ghoulish tales of this colorful Colorado city.
