**I Am a Victor: The Mordechai Ronen Story** Mordechai Ronen

**A man's journey of triumph over unspeakable evil and the powerful impact of the choice to survive against all odds.**

Mordechai Ronen was born in a peaceful town in 1930s Hungary. By the time he turned eleven years old, the world had gone mad. He became one of the millions of Jews to be shipped to a Nazi death camp. How he survived that ordeal and what followed is the incredible story told in these pages. That Mordechai is alive today is nothing short of a miracle. His is an incredible story of triumph and unwavering determination to survive, which is what he did against all odds in the Nazi death camps. The journey that began in the Holocaust carried Ronen through the establishment of Israel, immigration to Canada, and finally to an emotional return to Auschwitz, this time as a guest of Canadian Prime Minister Jean Chrétien, who called that moment one of the most extraordinary he had seen in his four decades in politics.
