On Reading André Kertész

This classic?both playful and poetic?is reissued with striking new duotone reproductions.

André Kertész (1894-1985) was one of the most inventive, influential, and prolific photographers in the medium's history. This small volume, first published in 1971, became one of his signature works. Taken between 1920 and 1970, these photographs capture people reading in many parts of the world. Readers in every conceivable place?on rooftops, in public parks, on crowded streets, waiting in the wings of the school play?are caught in a deeply personal, yet universal, moment. Kertész's images celebrate the absorptive power and pleasure of this solitary activity and speak to readers everywhere. Fans of photography and literature alike will welcome this reissue of this classic work that has long been out of print. 68 duotone photographs

From reader reviews:

David Lucero:

Do you have favorite book? For those who have, what is your favorite's book? Publication is very important thing for us to learn everything in the world. Each reserve has different aim or even goal; it means that reserve has different type. Some people experience enjoy to spend their time and energy to read a book. They are reading whatever they get because their hobby is reading a book. How about the person who don't like reading through a book? Sometime, individual feel need book after they found difficult problem or exercise. Well, probably you will require this On Reading.

Clara Reece:

Now a day people who Living in the era where everything reachable by connect to the internet and the resources inside can be true or not require people to be aware of each details they get. How many people to be smart in obtaining any information nowadays? Of course the answer then is reading a book. Examining a book can help people out of this uncertainty Information specifically this On Reading book because this book offers you rich data and knowledge. Of course the knowledge in this book hundred per-cent guarantees there is no doubt in it you know.

Charles Trask:

The reason? Because this On Reading is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will shock you with the secret this inside. Reading this book next to it was fantastic author who write the book in such wonderful way makes the content on the inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of positive aspects than the other book include such as help improving your skill and your critical thinking approach. So , still want to hold off having that book? If I were you I will go to the book store hurriedly.

Alexandria Sharp:

Do you like reading a publication? Confuse to looking for your best book? Or your book has been rare? Why so many problem for the book? But any kind of people feel that they enjoy with regard to reading. Some people likes reading through, not only science book but also novel and On Reading or perhaps others sources were given knowledge for you. After you know how the truly amazing a book, you feel wish to read more and more. Science publication was created for teacher or even students especially. Those textbooks are helping them to put their knowledge. In additional case, beside science publication, any other book likes On Reading to make your spare time far more colorful. Many types of book like this one.
