Tales of High Priests and Taxes: The Books of the Maccabees and the Judean Rebellion against Antiochos IV (Hellenistic Culture and Society) Sylvie Honigman

In the wake of the conquests of Alexander the Great, the ancient world of the Bible—the ancient Near East—came under Greek rule, and in the land of Israel, time-old traditions and Greek culture met. But with the accession of King Antiochos IV, the soft power of culture was replaced with armed conflict, and soon the Jews rebelled against their imperial masters, as recorded in the Biblical books of the Maccabees. Whereas most scholars have dismissed the biblical accounts of religious persecution and cultural clash, Sylvie Honigman combines subtle literary analysis with deep historical insight to show how their testimony can be reconciled with modern historical analysis by conversing with the biblical authors, so to speak, in their own language to understand the way they described their experiences. Honigman contends that these stories are not mere fantasies but genuine attempts to cope with the massacre that followed the rebellion by giving it new meaning. This reading also discloses fresh political and economic factors.

In a situation you wish to purchase the e-book, you can open up their official web-site and order it. Have a nice go through.

Herbert Oakley:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word

says, many ways to reach Chinese's country. Therefore , this Tales of High Priests and Taxes: The Books of the Maccabees and the Judean Rebellion against Antiochos IV (Hellenistic Culture and Society) can make you experience more interested to read.
