FAITH The Quest Daniel W. Merrick Ph.D.

Messianic Apologetics and Doctrine based on the Bible vs. Christianity and Religions. Dr. Merrick takes a more in depth look at the formations of worship in the modern world and how the Messianic Jewish Faith seems to answer the call for a restoration of the practices and faith of the first century followers of the Messiah. Warning! This book contains biblical proofs against world religions and for a personal relationship with Yahweh God. This book is a companion to A Brief History of Messianic Jewish Faith and shows where Idols, Icons, and the doctrine of men are in opposition to the doctrine of the Bible.
