## Managing Common Interventional Radiology Complications: A Case Based Approach

This book provides an easy-to-use manual that will help trainee and practising interventional radiologists by providing cases which cover most of the complications that a general interventionalist may encounter in normal practice. There will be 40-50 cases. The cases will be presented succinctly but thoroughly, such that the reader is equipped to manage the complication immediately. At least 50% of cases will be from District General Hospital Consultants.
