v. Goliath: The Trials of David Boies Karen Donovan

David Boies, the star trial lawyer in a country obsessed with legal drama, proves endlessly fascinating in this compulsively readable account of his extraordinary career. A man of almost superhuman accomplishment, Boies argued a string of headline-making cases before being catapulted to international prominence when he represented Al Gore before the Supreme Court in *Bush v. Gore*. Brash, reckless, and prideful, he is also charming, charismatic, unerringly articulate in the courtroom, and supremely comfortable in the public eye. Legal journalist Karen Donovan, herself a lawyer, had unprecedented access to Boies for nearly two years. In *v. Goliath* she gives us a scintillating chronicle of the legal dramas in which Boies has played a crucial role and a riveting, up-close portrait of a singularly gifted lawyer.

From the Trade Paperback edition.
