Being Dad: Father as a Picture of God's Grace Scott Leonard Keith

Being Dad deals with the way fathers, and the subject of fatherhood, are treated in modern culture. Dr. Keith brings his experience with family, students, great mentors, and friends to bear on this subject, which is crying out for attention. Equally, he brings his Christian faith and a scholarly eye for detail along on the journey and works with the listener to navigate a path to a better country where the Father blesses his children and is honored.
