*Day Hikes Around Ventura County* covers 82 of the best hikes in this scenic coastal county just north of Los Angeles. The hikes span from the Pacific Coast to the mountainous interior and the Los Padres National Forest. This is a comprehensive guide that includes trails from national forests, state parks, wilderness area, undeveloped coastline, and green space within the metropolitan areas. No other hiking book concentrates exclusively on Ventura County.

A cross-section of scenery, geography, and difficulty levels is included to accommodate all ranges of hiking experience. Highlights include coastal estuaries and tidepools, long beaches backed by bluffs, expansive sand dunes, waterfalls, swimming holes, narrow gorges, rolling meadows, dramatic sandstone outcroppings, caves, ridge walks, historic

sites, filming locations, and panoramic overlooks. . . everything from relaxing, scenic strolls to mountain-to-coast hikes with expansive views. All hikes can be completed during the day and are within a half-hour's drive of Highway 101, the major access road.

Each hike includes a detailed map, accurate driving and hiking directions, and a quick overview of distance/time/elevation. Overall maps show the hike locations in the larger area. The summaries allow the hiker to choose a trail appropriate to their ability and desire. Map sources and references are included for extending the hikes.

Companion hiking guides, also in the Day Hike Books series, include *Day Hikes Around Los Angeles*, *Day Hikes Around Santa Barbara*, *Day Hikes In San Luis Obispo County, California* and *Day Hikes On the California Central Coast*.
