Mevlana Celaleddin Rumi

Divan-i Kebir Meter 1: Bahr-i Recez Mevlana Celaleddin Rumi

Meter 1 of the 22 meters of Mevlana Jalaluddin Rumi's masterpiece, the *Divan-i Kebir*, translated into English in its entirety for the first time.

The *Divan-i Kebir*, or *Divan-i Shams* is the anthology of Rumi's poems from the time he met Shams (1244) until the day he died (1273). His poetry is recorded in 13th century Farsi, the language of the times in Anatolia (some Arabic, Turkish and Greek also appears). Although Shams disappeared from Rumi's life after only three years, the impact of this Saint and Master transformed Rumi's life into one of self-annihilation, spiritual longing and ecstasy, all clearly reflected in his poetry.

Rumi did not write down his poetry. Rather, he spontaneously recited poems day and night, and assigned people, called *katib-i esrar* [secret secretary], surrounded and followed him, recording what he said.

These more than 44,000 verses are beautiful explanations of the secret of life, Love, humanity, God, and more. They also serve as historical sketches of 13th Century life in Konya, Anatolia. And, they take the reader into the spiritual journey Rumi took 800 years ago toward the enlightenment of Love. For more information, visit ReadingRumi.com.
