## **Hoteles para soñar (Spanish Edition)** Màrius Carol

Los hoteles son lugares de paso, muchos de los cuales permanecen en nuestra memoria porque evocan momentos especiales vividos en su interior. Igualmente en el imaginario novelesco están presentes los hoteles, lujosos o miserables, donde han trabajado grandes escritores y donde se han redactado páginas memorables. La propia biografía de muchos hoteles, sobre todo en Europa, está llena de avatares que son parte viva de nuestra historia colectiva.

Es indudable que algunos forman parte del encanto de las ciudades, o incluso de los paisajes, y el viajero acaba visitándolos porque fueron elegidos para amores literarios, firmas de tratados de paz o refugios en tiempos de guerra. Sus pequeñas historias están en el recuerdo de los conserjes, en placas gastadas por el tiempo y en guías especializadas para iniciados.

En estas páginas, el lector encontrará una selección que vale la pena conocer, con sus mitos y leyendas, sus servicios y sus encantos. Todos ellos han despertado el interés de Màrius Carol, que ha sido su cliente indagador a lo largo del tiempo. No es una selección exhaustiva, pero sí personal y sabiamente confeccionada, que permite no sólo viajar con la imaginación por habitaciones y suites deliciosas, sino también aportar sugerencias ante el próximo éxodo que podamos estar preparando.
