No Way Down: Life and Death on K2

Graham Bowley

No Way Down: Life and Death on K2 Graham Bowley

“*No Way Down* is both a gripping read and a clear-eyed investigation of the hubris, politics, and bad luck that brought on one of the worst disasters in modern mountaineering history.” — Michael Kudas, author of *High Crimes: The Fate of Everest in an Age of Greed*

“Graham Bowley’s *No Way Down* does a great job of putting you on the mountain. It is a refreshingly unadorned account of the true brutality of climbing K2, where heroes emerge and egos are stripped down, and the only thing achieving immortality is the cold ruthless mountain.” — Norman Ollestad, author of *Crazy for the Storm*

In the tradition of *Into Thin Air* and *Touching the Void*, *No Way Down* by *New York Times* reporter Graham Bowley is the harrowing account of the worst mountain climbing disaster on K2, second to Everest in height... but second to no peak in terms of danger. From tragic deaths to unbelievable stories of heroism and survival, *No Way Down* is an amazing feat of storytelling and adventure writing, and, in the words of explorer and author Sir Ranulph Fiennes, “the closest you can come to being on the summit of K2 on that fateful day.”
