**Bridget is in love with one man...and promised to another.**

Amid the liberty and promise of the New World, Bridget Barrington and Philippe Clavell fall in love. But nothing about their love seems possible.

To pay for the Clavell family's passage from France, Philippe, a former member of French royalty, worked as an indentured slave to the Barringtons. Bridget is the heiress of the prominent plantation.

When Bridget's parents discover the budding Romance between their daughter and their servant, they quickly orchestrate her engagement to an older, more advantageous match. But Edward Moorehead has a secret. And he's anything but a good match for Bridget.

Separated from her true love and in danger from her betrothed, Bridget must rely on God to deliver her from darkness into light.
