Paris for Two Phoebe Stone

The best cure for a terrible crush on someone like Windel Watson is a trip across the ocean. That's what twelve-year-old Petunia Beany thinks, until she hears where her family is moving. Not Paris. Not France. Anywhere would be better. Because that's where Windel will be, too.

When the Beany family gets to Paris, Pet's older sister seems right at home. Ava swans around looking beautiful, and making Pet feel even smaller and more awkward. It feels like Paris has a place for everyone except Pet. All she wants to do is hide in a dark room with the pillows over her head.

But it turns out Paris has plans for Petunia Beany. There are three bouquets awaiting her. If Pet can only find her courage, each bouquet will open a door and bring with it a sparkle that will change everything. And the person behind it? That will be Paris's biggest surprise of all.
