Playland

Kathryn W. Burke

Playland Kathryn W. Burke

Playland offers an inviting look at the historic amusement park on the shore of the Long Island Sound in Rye. This book recalls the early days and the later years of Playland, a national historic landmark and America's only publicly owned amusement park. Opened in 1928 as part of the newly developed Westchester County Park System, Playland originally drew crowds that arrived via automobile, bus, and steamship for the circus acts, sideshows, and rides, such as the Swooper, an oval roller coaster, and the Derby Racer, one of only two left in the United States. An all-purpose resort, the park included a beach, bathhouse, pool, and casino with restaurants and games. Today the park draws even larger crowds--nearly a million people each season--that come for the Dragon Coaster and other rides, Kiddyland, the indoor ice rink, the pool, the beach, and the boardwalk.

From reader reviews:

Diana Ham:

What do you concentrate on book? It is just for students because they are still students or the item for all people in the world, exactly what the best subject for that? Simply you can be answered for that problem above. Every person has various personality and hobby per other. Don't be pushed someone or something that they don't desire do that. You must know how great along with important the book Playland. All type of book are you able to see on many sources. You can look for the internet resources or other social media.

Zoe Harris:

The experience that you get from Playland is the more deep you searching the information that hide inside words the more you get enthusiastic about reading it. It doesn't mean that this book is hard to recognise but Playland giving you excitement feeling of reading. The copy writer conveys their point in a number of way that can be understood through anyone who read this because the author of this book is well-known enough. This kind of book also makes your personal vocabulary increase well. So it is easy to understand then can go along with you, both in printed or e-book style are available. We suggest you for having this specific Playland instantly.

Eva Sexton:

Spent a free time and energy to be fun activity to complete! A lot of people spent their free time with their family, or their friends. Usually they performing activity like watching television, gonna beach, or picnic inside the park. They actually doing same thing every week. Do you feel it? Would you like to something different to fill your own free time/ holiday? Can be reading a book might be option to fill your totally free time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to test look for book, may be the book untitled Playland can be fine book to read. May be it could be best activity to you.

Leesa Banta:

Many people spending their moment by playing outside along with friends, fun activity with family or just watching TV all day long. You can have new activity to spend your whole day by examining a book. Ugh, do you consider reading a book can actually hard because you have to accept the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Cell phone. Like Playland which is finding the e-book version. So , try out this book? Let's observe.
