The Indian National Army and Japan

Joyce C. Lebra

The Indian National Army and Japan Joyce C. Lebra

This study traces the origins of the Indian National Army in the imagination of Iwaichi Fujiwara, a young Japanese intelligence officer, and the relationship between the Imperial Japanese Army and the Indian National Army as it evolved under the leadership of Bengali revolutionary, Subhas Chandra Bose. The study is unique in its use of Japanese archival sources for analysis of the relationship between Japanese policy formulation and the Indian independence movement in its military phase.
