## The Scummers (Crum Trilogy) LEE MAYNARD

In the third and final part of the Crum Trilogy, Jesse Stone once again embarks upon his constant search for a place in the world. At the start of *The Scummers*, Jesse hits the road and heads West, looking to experience something - anything - that will fulfill his intrinsic desires to escape, and to belong. He ends up in California, where he fools around, mischievously fighting and drinking, yet always narrowly escaping punishment. Soon enough, Jesse runs out of luck. He finds himself arrested and is condemned to serve out his sentence under the supervision of the United States Army. Suddenly Jesse Stone can no longer run. Suddenly Jesse Stone is a soldier. Full of intense violence and cutting humor, this tale is the culminating confession of a young man who has wandered from a small town in West Virginia and back again in the hopes of finding his home.
