The Watch: A Novel Joydeep Roy-Bhattacharya

Following a desperate night-long battle, a group of beleaguered soldiers in an isolated base in Kandahar are faced with a lone woman demanding the return of her brother's body. Is she a spy, a black widow, a lunatic, or is she what she claims to be: a grieving young sister intent on burying her brother according to local rites? Single-minded in her mission, she refuses to move from her spot on the field in full view of every soldier in the stark outpost. Her presence quickly proves dangerous as the camp's tense, claustrophobic atmosphere comes to a boil when the men begin arguing about what to do next.

Joydeep Roy-Bhattacharya's heartbreaking and haunting novel, *The Watch*, takes a timeless tragedy and hurls it into present-day Afghanistan. Taking its cues from the Antigone myth, Roy-Bhattacharya brilliantly recreates the chaos, intensity, and immediacy of battle, and conveys the inevitable repercussions felt by the soldiers, their families, and by one sister. The result is a gripping tour through the reality of this very contemporary conflict, and our most powerful expression to date of the nature and futility of war.

Jason Scott:

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just little students that has reading's heart or real their hobby. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this The Watch: A Novel can make you really feel more interested to read.
