Time Guardians: The Minotaur's Eclipse Gareth Baker

Theo Harpe was on holiday when he found out the truth about his family. The ancient myths his grandfather had been telling him weren't stories at all... They were true and the beasts are back! For the last three thousand years, the Harpe family have protected Earth from the beasts of a long forgotten past and served the gods of ancient Greece. When one of the beasts breaks free from the prison that's held it for centuries, Theo has to learn to use a collection of artefacts which hold the power of the gods. But time is running out, and it's only by mastering these objects that Theo can save everyone on the planet from a dark and terrible future.
