Who says dating a vampire is easy? Raven's nocturnal romance with her immortal love, Alexander, is definitely dicey, but even more so with Alexander's meddling half-vamp cousin in town. Claude and his sketchy gang are on the hunt for a stash of blood-filled vials that can turn them into pure vampires. With an old family feud casting a shadow on the search, they'll do anything to get their hands on the vials. Raven and Alexander must swiftly mastermind a plan to outwit them, but will the very lure of the vials create more risk for Raven than she could ever imagine? And deepen her own quandary about the possibility of becoming a vampire?
