Audubon Nature Calendar 2013

National Audubon Society

Audubon Nature Calendar 2013 National Audubon Society

America the beautiful: Snowcapped mountains encircle the aquamarine waters of Lake Tahoe. The sun rises on Wyoming's Teton Rouge. A carpet of Desert Sand Verbena paints the Borrego Valley brilliantly purple. And a fast-moving river cuts through the dense vegetation of Olympic National Park. With a dozen beautifully photographed images in full color, Audubon Nature captures the raw beauty and power of North America's woodlands, deserts, seashores, mountains, wetlands, and other wilderness treasures.
