A systematic plan for parents to help their kids acquire and sustain friendships

Every parent hopes their child will develop healthy and happy friendships. However, most parents don't know what to do that will encourage their child to be a friend and attract friends. The author offers clear-cut friendship-making guidelines for parents and their children. Some of the book's recommendations include: don't over-schedule a child's time; guide children to participate in "friend-attracting" activities; seek out friends in the neighborhood.

- The author includes methods for dealing with bullying and inappropriate friendships
- Offers clear guidance for helping children become a good friend and attract lasting friendships for life
- Shows how to teach kids the social and emotional intelligence skills they need to form friendships such as listening, empathy, compassion, recreational conversation
- The book also includes techniques for teaching kids how to use MySpace, Facebook, and Twitter in positive ways that will foster friendships.
