Mind Your Head

Juno Dawson, Olivia Hewitt

Mind Your Head Juno Dawson, Olivia Hewitt

From the critically acclaimed author of *THIS BOOK IS GAY*, James Dawson, now writing as Juno Dawson.

We all have a mind, so we all need to take care of our mental health as much as we need to take care of our physical health. And the first step is being able to talk about our mental health. Juno Dawson leads the way with this frank, factual and funny book, with added information and support from clinical psychologist Dr Olivia Hewitt. Covering topics from anxiety and depression to addiction, self-harm and personality disorders, Juno and Olivia talk clearly and supportively about a range of issues facing young people's mental health - whether fleeting or long-term - and how to manage them. With real-life stories from young people around the world and witty illustrations from Gemma Correll.

From reader reviews:

Alla Haynes:

The book Mind Your Head can give more knowledge and information about everything you want. So just why must we leave the best thing like a book Mind Your Head? Some of you have a different opinion about publication. But one aim this book can give many facts for us. It is absolutely proper. Right now, try to closer with your book. Knowledge or facts that you take for that, you can give for each other; you can share all of these. Book Mind Your Head has simple shape but the truth is know: it has great and massive function for you. You can seem the enormous world by open and read a guide. So it is very wonderful.

Leon King:

Here thing why that Mind Your Head are different and trusted to be yours. First of all looking at a book is good nevertheless it depends in the content of it which is the content is as yummy as food or not. Mind Your Head giving you information deeper as different ways, you can find any reserve out there but there is no reserve that similar with Mind Your Head. It gives you thrill looking at journey, its open up your own eyes about the thing this happened in the world which is possibly can be happened around you. You can easily bring everywhere like in park, café, or even in your means home by train. When you are having difficulties in bringing the branded book maybe the form of Mind Your Head in e-book can be your choice.

Ronald Johnson:

Nowadays reading books become more and more than want or need but also be a life style. This reading behavior give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book which improve your knowledge and information. The data you get based on what kind of guide you read, if you want have more knowledge just go with education books but if you want sense happy read one together with theme for entertaining for example comic or novel. The actual Mind Your Head is kind of book which is giving the reader capricious experience.

Clyde Okane:

As we know that book is vital thing to add our information for everything. By a reserve we can know everything we really wish for. A book is a range of written, printed, illustrated or even blank sheet. Every year seemed to be exactly added. This guide Mind Your Head was filled in relation to science. Spend your spare time to add your knowledge about your scientific research competence. Some people has several feel when they reading any book. If you know how big good thing about a book, you can truly feel enjoy to read a e-book. In the modern era like today, many ways to get book which you wanted.
