Obadiah's oracle against Edom. Jonah's mission to the city of Nineveh. Micah's message to Samaria and Jerusalem. The texts of these minor but important prophets receive a fresh and penetrating analysis in this introduction and commentary. The authors consider each book's historical setting, composition, structure and authorship, as well as important themes and issues. Each book is then expounded in the concise and informative style that has become the hallmark of the Tyndale series. The original, unrevised text of this volume has been completely retypeset and printed in a larger, more attractive format with the new cover design for the series.
