Polvere di Stelle (Italian Edition) Katia Pellegrinetti

Becky ed Elena sono unite da un'amicizia apparentemente indissolubile, fino al giorno in cui un terribile incidente metterà totalmente in discussione le loro vite. I loro percorsi, fino a quel momento molto simili, prenderanno due strade opposte: una, una volta ripresa dalla tragedia, si ritirerà in monastero, mentre l'altra si perderà sulle strade della droga, della prostituzione e della violenza. E' proprio in questo contesto che si vede apparire la polvere di stelle o, più comunemente conosciuta come polvere bianca o cocaina. Tuttavia polvere di stelle non è solo la droga che spazza e distrugge tutto ciò che di buono è rimasto. Polvere di stelle è anche la polvere che ricopre, come una patina, i rapporti tormentati tra una madre e una figlia, la polvere a volte soffocante e a volte magica in un rapporto d'amore o di amicizia. Polvere di stelle è anche la morte, che porta via con se ciò che di caro avevamo, ma polvere di stelle è anche l'amore indissolubile e la vita che risorge. In questo romanzo si fondono insieme la lotta con Dio e la fede, l'amore omosessuale contro un amore ritenuto "normale", la droga contro la speranza di un futuro migliore e, nonostante le mille difficoltà, la morte non avrà mai l'ultima parola. Polvere di stelle è stato edito nel 2010 da Cinquemarzo editore, una piccola casa editrice locale di Viareggio. Ritirato dal commercio nel 2012, per contratto scaduto, è stato acquistato nel 2014 da una casa editrice americana ed è uscito in seconda edizione l'8 Marzo 2015, in ebook. Il romanzo è uscito anche in lingua inglese in America, Canada e Gran Bretagna sotto il nome di "Stardust".

From reader reviews:

Gerald Hackler:

Why don't make it to be your habit? Right now, try to ready your time to do the important take action, like looking for your favorite e-book and reading a book. Beside you can solve your trouble; you can add your knowledge by the publication entitled Polvere di Stelle (Italian Edition). Try to make book Polvere di Stelle (Italian Edition) as your pal. It means that it can to be your friend when you experience alone and beside associated with course make you smarter than before. Yeah, it is very fortunated to suit your needs. The book makes you a lot more confidence because you can know almost everything by the book. So , we should make new experience and knowledge with this book.

Carol Elliott:

Reading a e-book can be one of a lot of exercise that everyone in the world enjoys. Do you like reading book and so. There are a lot of reasons why people like it. First reading a book will give you a lot of new facts. When you read a guide you will get new information mainly because book is one of numerous ways to share the information or maybe their idea. Second, looking at a book will make you actually more imaginative. When you reading through a book especially fiction book the author will bring someone to imagine the story how the figures do it anything. Third, it is possible to share your knowledge to other individuals. When you read this Polvere di Stelle (Italian Edition), it is possible to tells your family, friends as well as soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a book.

Melissa Sanders:

Many people spending their time by playing outside along with friends, fun activity using family or just watching TV all day long. You can have new activity to invest your whole day by studying a book. Ugh, think reading a book really can hard because you have to use the book everywhere? It fine you can have the e-book, getting everywhere you want in your Cell phone. Like Polvere di Stelle (Italian Edition) which is keeping the e-book version. So , why not try out this book? Let's observe.

Ruby Pritchett:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's heart or real their pastime. They just do what the educator want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Polvere di Stelle (Italian Edition) can make you really feel more interested to read.
