The Greener Office Guide Macmillan Press Ltd.

To meet popular demand, as well as ever-growing legislative requirements, The Greener Office Guide provides an exhaustive guide to implementing a green policy in offices of all kinds throughout the UK. Beginning with a section that lays out the benefits of initiating a green policy, it also provides the answers to all the key questions that are asked. The Greener Office Guide shows how environmental change can result in financial advantage. It includes case studies and information on how to carry out a 'self-audit'. Legal requirements are also discussed. The Guide's second section is a directory of companies that provide relevant products and services, listed under subject categories. Extensive company details enable users to select the right company for their needs. A section on associations, listing consultants, charities and advisory groups is also provided.
