The answers you need to help your child survive an eating disorder

You've noticed a change in your child's eating habits and want to help, but you don't know what to say. Perhaps you're not sure if your child has an eating disorder or is at risk of developing one, and you don't know what to do.

Written by experts in the field, *Unlocking the Mysteries of Eating Disorders* will guide you through this difficult situation and empower you and your family to make the right decisions. Throughout the book, stories of parents and children will help you understand the process and give you hope as you travel the road to health with your son or daughter.

Learn how to:

- Spot the warning signs of an eating disorder
- Find the treatment options that are right for your child
- Support your son or daughter through recovery and prevent relapses
