Kathryn Delroy thinks the management training session she's been asked to attend will be a dream come true. The excitement hits a new level when an old family friend, Thomas Ryan, shows up as well.

When the training ends, their passion for each other finds them stranded in a cabin in the Alaskan mountains - a cabin that belongs to a wanted fugitive. When they discover documents that identify illegal activities, they panic and report what they've found to the FBI.

Kathryn and Thomas end up on a dash for their lives, protected by federal agents. The man believed to be chasing them is contracted to manipulate political and financial agendas through physical violence - and death.

Cross-country travels and high-stakes mountain adventures are only part of the trials they face as they attempt to build a relationship and stay alive.

This is a new release of a previously published edition.
