Sadly the days of the traditional studio apprenticeship in animation are long gone but this book enables the reader to find the next best thing, watching and observing a Master Animator at work. Become Tony White's personal animation apprentice, and experience the golden era of the great Disney and Warner Brothers studios right in your own home or studio. Tony White's Animation Master Class is uniquely designed to cover the core principles of animated movement comprehensively. It offers a DVD with animated movies and filmed excerpts of the author at his drawing board to illustrate the concepts as the work is being created. Tony White's Animation Master Class offers secrets and unique approaches only a Master Animator could share. The book comes out of the author's six years of real-world professional experience teaching animation, and 30 years of professional experience.

Whether you want to become a qualified animator of 2D, 3D, Flash or any other form of animation, Tony White's foundations bring you closer to that goal.

The DVD is invaluable, in that readers are not only taught principles and concepts in the book, they are able to see them demonstrated in action in the movies on the DVD.
