Life seems to have it in for Franny Flanders.

Her best friends aren't speaking, her parents just divorced, and her hippie grandmother has moved in. The only karma Franny's got is bad karma.

Then Franny gets her hands on a box of magic recipes that could fix all of her problems. It could even change the world! Finally, life is looking up.

But Franny is about to learn that magic and karma aren't to be played with. When you mess with the universe, it can bite back in unexpected ways.

Ouch!
