## **Countdown to Independence** Natalie S. Bober

For fifteen years between 1760 and 1775, before a drop of blood was shed at Lexington and Concord, ideas were the weapons with which Americans and Englishmen waged a revolution. Words of protest did not become deeds of resistance until both sides came to realize that only force would decide the issues that divided the empire.

How did the social, political, and intellectual developments of the colonial period precipitate a shocking revolution by the American colonists against Great Britain? What was the British view of the situation in America? Who were the people involved (both Whigs and Tories) in the American colonies and in England? What were the issues that were brewing below the surface that made it possible for a ragged band of patriots to defeat the strongest army in the world? Was the ultimate separation of the American colonies from England inevitable, or could it have been avoided?

Focusing on the period from the ascendance of George III to the throne of Great Britain until the approval in the Continental Congress of the Declaration of Independence, acclaimed biographer Natalie S. Bober attempts to answer these, and other questions, as she presents a bi-focal view of the events leading to the Revolutionary War -- telling the story through the eyes of the heroes and rebels involved on *both* sides of the Atlantic Ocean. Recognizing that biography is the human heart of history, she has used engaging mini-biographies of the cast of British and American characters. By taking her readers into the actual scenes, both in America and England and revealing the human stories behind the historic events, and by using original sources such as letters, diaries, and speeches, she allows the characters who played a role in the unfolding drama to step off the pages of the book and become living people.

As she captures the drama, the wit, the politics, and the manners of the generation that governed and lost the first British Empire, all the while doing full justice to the cause of the colonial patriots, she takes her readers on a provocative and stimulating countdown to independence.

### From reader reviews:

#### **Amy Cason:**

Here thing why this kind of Countdown to Independence are different and reputable to be yours. First of all reading a book is good but it really depends in the content of computer which is the content is as scrumptious as food or not. Countdown to Independence giving you information deeper and in different ways, you can find any guide out there but there is no publication that similar with Countdown to Independence. It gives you thrill studying journey, its open up your own eyes about the thing that will happened in the world which is perhaps can be happened around you. You can bring everywhere like in recreation area, café, or even in your technique home by train. For anyone who is having difficulties in bringing the branded book maybe the form of Countdown to Independence in e-book can be your alternative.

#### **Beatrice Rogers:**

The reason why? Because this Countdown to Independence is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will zap you with the secret the idea inside. Reading this book close to it was fantastic author who all write the book in such incredible way makes the content on the inside easier to understand, entertaining way but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of benefits than the other book get such as help improving your skill and your critical thinking way. So , still want to hold up having that book? If I had been you I will go to the book store hurriedly.

#### **Lisa Sullivan:**

Are you kind of active person, only have 10 or 15 minute in your morning to upgrading your mind ability or thinking skill even analytical thinking? Then you are receiving problem with the book compared to can satisfy your short time to read it because this all time you only find guide that need more time to be study. Countdown to Independence can be your answer given it can be read by you actually who have those short spare time problems.

#### **Ronald Smith:**

As a college student exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Countdown to Independence can make you sense more interested to read.
