Full Circles: Geographies of Women over the Life Course (Routledge International Studies of Women and Place)

Full Circles: Geographies of Women over the Life Course (Routledge International Studies of Women and Place)

Full Circles describes the very different lives and expectations of women in post-industrial and developing countries from childhood to old age. Analysing how class, ethnicity, nationality and individual values intersect with the experience of the life course, the book explores the futures open to women in diverse and changing locations.
