## **Slow & Steady** Kendall Ryan

A hard-headed alpha SEAL.

A fiercely independent single mom who makes her living as a stripper.

He'll get his way, one way or another.

My fingers grazed the softest skin I've ever felt. "You're mine to protect now."

Are you ready to meet the most extreme, over the top alpha male I've ever written?

When Greyson tosses \$20 on the stage of a strip club, the last things he expects to see are the haunted green eyes staring back at him. Finley should be home raising her infant daughter and baking cookies, not tucking singles into her G-string and giving lap dances.

Greyson can't deny that he'd like his own private show, but there's not a chance in hell of that happening. The last time the former Navy SEAL saw her, she was dressed in black, holding a folded flag, and sobbing that it was all his fault...and he agreed with every single word. He couldn't do anything to help her then, but he can now.

Finley deserves better than this dingy club, and when an obsessed customer crosses the line, Greyson leads the rescue and will do whatever it takes to make amends for their broken past.

He never expected to want to settle down, but with Finley everything is different. For the first time ever, he can breathe. But Greyson will have to fight for what he wants in order to keep the woman with the green eyes he's dreamed about so often.

#### **Bonnie Gallup:**

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Slow & Steady can make you truly feel more interested to read.
