The ANC Youth League (Ohio Short Histories of Africa) Clive Glaser

**“Glaser’s book provides a well-written analysis of the competition between ideologies and strategies within the ANC. ... Throughout, Glaser highlights the tensions between those leaders who stood for ideological purity as Africanists and those who gravitated to a more pragmatic approach that stressed ideological pluralism. ...[He] ...perceptively [analyzes] the ways in which South African youth have ignited and fueled the nationalist cause in South Africa over the last seventy-five years.” —*African Studies Review***

This brilliant little book tells the story of the African National Congress (ANC) Youth League from its origins in the 1940s to the present and the controversies over Julius Malema and his influence in contemporary youth politics. Glaser analyzes the ideology and tactics of its founders, some of whom (notably Nelson Mandela and Oliver Tambo) later became iconic figures in South African history as well as inspirational figures such as A. P. Mda (father of author Zakes Mda) and Anton Lembede. It shows how the early Youth League gave birth not only to the modern ANC but also to its rival, the Pan Africanist Congress. Dormant for many years, the Youth League reemerged in the transition era under the leadership of Peter Mokaba?—?infused with the tradition of the militant youth politics of the 1980s. Throughout its history the Youth League has tried to “dynamize” and criticize the ANC from within, while remaining devoted to the mother body and struggling to find a balance between loyalty and rebellion.
