"Readers will be swept along with Maggie and Kate as they bamboozle an entire nation, and will feel for Maggie as she debates whether or not to leave the profession...Dianne K. Salerni has written a brilliant debut novel."

-TeensReadToo.com

Maggie:

I began the deception when I was too young to know right from wrong. Only with the passing of time did I come to understand the consequences of my actions.

Kate:

I do not believe that I have ever intentionally deceived anyone. Maggie has a different understanding of the events that have happened. To her the spirits were always a game. For me they were my life's calling. I have no regrets.

It starts as a harmless prank...then one lie quickly grows into another. Soon Kate and Maggie Fox are swept into a dizzying flurry of national attention for their abilities to communicate with the dead. But living a lie is sometimes too much to handle, even if you have the best intentions. Based on a true story, *We Hear the Dead* reveals how secrets and lies can sometimes lead you to what's real and what's right. And how sometimes talking with the dead is easier than talking with the people around you.
