As sharp-witted as his code name Blade implies, spy Clint Black is used to having the upper hand. But now he's a prisoner, trapped by dangerous criminals and a gorgeous woman who just might be a double agent—or his only chance to stay alive.

Special Agent Victoria Talbot is as icy as the St. Petersburg that surrounds her—she needs to be to succeed in her quest. That means racing against time to find a mysterious treasure and keep her reluctant hostage safe. But she's not above torturing her handsome captive, stoking flames of a desire that's hardly covert. Will this be their last mission together, or just the beginning of a lifelong partnership?
