LARB Quarterly Journal Winter 2015

The *Los Angeles Review of Books* launched as online-only magazine in April 2011 to revive the great American tradition of the long form literary and cultural arts review. Today, we've created a new institution for writers and readers unlike anything else on the web. The *LARB Quarterly Journal* is our flagship print edition of the magazine, reflecting the best that this institution has to bring to readers all over the world.

We've cultivated a stable of regular contributors, both eminent (Jane Smiley, Mike Davis, Jonathan Lethem) and emerging (Jenny Hendrix, Colin Dickey, Rachel Kaadzi Ghansah). We've found our way to a certain tone that readers expect and enjoy: looser and more eclectic than other journals, grounded in literature but open to all varieties of cultural experience, far from the New York publishing hothouse atmosphere but not myopically focused on L.A. either.

The *LARB Quarterly Journal* builds on the best aspects of our flagship online magazine. The long form literary and cultural arts review is alive and well, and now, has a new home in Los Angeles.
