Lullaby and Goodnight (The Sutton Babies) Susan Kearney

When the Sutton family is besieged by a secret enemy, will they be able to preserve the only thing that matters most: a future for their children...?

WHEN HE LEFT HER BED, RAFE SUTTON DIDN'T KNOW SHE WAS PREGNANT....

After seeing the heartache love could cause, Rafe had sworn himself to bachelorhood. But that was before Rhianna McCloud knocked this cowboy for a loop. And though he suspected he'd finally succumbed to love, he still made himself walk away...

...until Rhianna and his unborn child were threatened! Was someone just trying to scare her, or was his baby in real jeopardy? Rafe's protective instincts kicked in full blast?

Another Sutton baby was about to be born, and Rafe would make sure his child was safe—even if he had to sacrifice his own life....
