## Michael Broadbent's Vintage Wine: 50 Years of Tasting the World's Finest Wines

The half-century of Michael Broadbent's wine trade experience has seen unprecedented change throughout the wine world. Few people have done more to influence that change and none can claim a better-informed perspective on it. Published to coincide with Michael Broadbent's 75th birthday and a celebration of 50 years in the wine trade, VINTAGE WINE will concentrate on the wines which are now in universal, high-level demand, those that are being collected, consumed and traded by vast and increasing numbers in all corners of the globe. More selective than his earlier works, this book features personal reflection as well as specific opinion. Years of cellars visited and pillaged for sale at Christie's, involving the checking and packing of dust and grime laden bottles in distinctly dank and chilly conditions, plus the jet-set auctions around the world, the legendary tastings and the society events have yielded an unrivalled store of vinous anecdote and amusement as well as an unsurpassed winetasting record.
