Pilgrim's Progress: The Accurate Revised Text John Bunyan

This Accurate Revised Text (210pp/pb) retains Bunyan's distinctive clarity of style while offering contemporary smoothness without being racy. Based upon the definitive Oxford Press text of 1960 by Wharey and Sharrock, particular attention has been given to the maintenance of the author's doctrine and purposes. A select variety of archaisms has been retained, with modern equivalent terms in brackets, since these have gained a particular quaintness and timeless quality. Chapter divisions also contribute toward ease of comprehension along with numerous classic character illustrations.
