Roger Quilter: 55 Songs: High Voice The Vocal Library (Vocal Collection) Richard Walters (Vocal Collection). With a graceful gift for lyrical vocal writing, English composer Roger Quilter (1877-1953) created a rich body of art songs. Very few composers working in English have matched his achievement of a living body of beloved, relevant, literate repertoire. The strong melodies and natural phrasing make his compositions perfect literature for the progressing singer. There has never before this publication been a significant collection of Quilter. Many of the songs have never been published in transposition before this edition. This collection features a biography of the composer and notes on the songs. 224 pages, sewn binding.
